ONLINE BANKING FIRST TIME USER GUIDE

(beginning March 1, 2021)

- Step 1: Login at www.sunmark.org by using your account number as your username and the last four digits of your Tax ID Number as your password. Don't worry - you'll be prompted to change them! Hint: If you click "New User?" on the bottom of the log in screen, it will remind you of what to do!
- Step 2: Review and accept the Terms and Conditions.
- Step 3: Set up a new username and password. Usernames must be a minimum of six characters and can't be all numbers. Passwords must also be at least six characters as a mix of letters, numbers or symbols.
- Step 4: For added security, you will receive a one-time passcode sent either to your email address or a phone number. Once you receive the one-time passcode, you must choose whether or not to register the device you're using for Online Banking.
- The prompt will give you two options:
 - Yes, register my private device. By choosing this option, the Online Banking cookie will save to your browser and you likely won't need to enter a passcode again. If your browser settings automatically delete cookies, you will be prompted to enter a new passcode each time you log in.
 - No, this is a public device. A new passcode will be required each time you log in for that specific device for your safety.

The screenshot shows the 'LOG INTO ONLINE BANKING' page. It features a 'Username' input field, a 'Password' input field, and a prominent blue 'LOG IN' button. Below the button are links for 'Forgot Username / Password', 'Watch Demo', 'Open an Account', and 'New User?'.

Verify your contact information

The screenshot shows a verification screen with the following elements: a phone icon and text stating 'Within a minute, you'll receive a verification code at (518) [redacted]'; an 'Enter access code' field with a yellow highlight; a link for 'Didn't get the access code?'; an information icon and text 'Save time by registering this device.'; a subtext 'If this is your personal device, register it now. We won't need to contact you the next time you log in.'; and two buttons: 'Yes, register my private device' and 'No, this is a public device'. Below the buttons is an 'Or' button with arrows pointing to the two main options.

Since 1937, Sunmark Credit Union has been working to improve financial welfare for individuals, families, communities, and businesses in the Capital Region and beyond. We're proud to be a local financial institution that can offer our members something more because we get to know them and we live in their communities. Our mission: We work together, achieve excellence and create value to enrich the financial well-being of our members.

Why is this merger good for me?

The merger will provide several key benefits, such as convenient access to new competitive products, services and opportunities. We also offer state-of-the-art technology and a comprehensive suite of online and mobile banking tools. Sunmark has the same member service philosophy as Hudson River Financial Credit Union so members will be treated with the same quality experience. We currently offer seventeen convenient branch locations across the area with access to 30,000 surcharge-free CO-OP ATMs nationwide.

Will the rates on my Hudson River Financial Credit Union accounts change?

Yes, savings and checking rates will reflect Sunmark's prevailing regional rates as of March 1, 2021.

Will I continue to receive statements?

Members will receive paper statements on the same schedule as they have been receiving them through February 2021. Beginning with the March 2021 statement, all members will begin receiving their statements through Sunmark. To sign up for eStatements, or to receive copies of any statements, please call 866-SUNMARK on or after March 1, 2021.

Will I still receive tax documents?

If applicable, you will receive a 1099 and/or 1098 Form from Hudson River Financial Credit Union for the 2020 tax reporting year. These statements will be mailed to you in January 2021. If dividends received/interest paid are less than the reporting threshold, no tax statement will be issued.

OVERDRAFT PRIVILEGE

It's important to keep your checking account in good standing – but even the most careful number crunchers need a hand at times.

Options for Covering Unexpected Overdrafts

Life happens! Sunmark Credit Union understands that unexpected overdrafts occur from time to time – Overdraft Coverage can help.

Overdraft Coverage Options

The choice is yours. Consider these ways to cover overdrafts:

Service	Cost
Overdraft Protection Link to Another Deposit Account you have at Sunmark Credit Union ¹	\$3.00 Transfer Fee per transfer
Overdraft Protection Line of Credit ^{1, 2}	Subject to interest
Overdraft Privilege	\$30.00 Overdraft Fee per item

¹Call us at 866-SUNMARK email us at memberservice@sunmark.org, or come by a branch to sign up or apply for these services; ²subject to credit approval.

Overdraft Protection services apply to all transactions and may help prevent overdrafts by automatically transferring funds to your checking account from another account or line of credit you may have at Sunmark Credit Union for a fee or finance charge. Please note that overdraft lines of credit are subject to credit approval.

Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. Even if you have overdraft protection, Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted. **You currently have Extended Overdraft Privilege Coverage in the amount of \$1,000 on your account, which covers the following transactions:**

Transactions Covered with Extended Overdraft Privilege	
Checks	X
ACH - Automatic Debits	X
Recurring Debit Card Payments	X
Online Bill Pay Items	X
Internet Banking Transfers	X
Telephone Banking	X
Teller Window Transactions	X
ATM Transactions	*X
Everyday Debit Card Transactions	*X

*If you have a consumer account, you have the option to request “Standard Coverage,” which includes all of the transactions listed above, except ATM and everyday debit card transactions. Both consumer and business accounts can discontinue the Overdraft Privilege in its entirety by contacting us at 866-SUNMARK or sending us an e-mail at memberservice@sunmark.org.

OVERDRAFT PRIVILEGE (CON'T)

What Else You Should Know

- A link to another account or a line of credit may be a less expensive option than an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our mobile banking, internet banking, and telephone banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.
- The \$30.00 Overdraft Fee is the same fee amount that is charged if an item is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Overdraft Fee or a Return Item Fee of \$30.00. All fees and charges will be included as part of the Overdraft Privilege limit amount. Your account may become overdrawn more than the Overdraft Privilege limit amount because of a fee.
- If an item is returned because the available balance in your account is not sufficient to cover the item and the item is presented for payment again, Sunmark will charge a Return Item Fee each time it returns the item because it exceeds the available balance in your account. If, on representation of the item, the available balance in your account is sufficient to cover the item Sunmark may pay the item, and, if payment causes an overdraft, charge an Overdraft Fee.
- There is no limit on the total Overdraft Fees per day we will charge.
- This describes the posting order for purposes of determining overdrafts. Our general policy is: ACH credits are posted first then ACH debit transactions. Paper checks are paid by share draft number lower to highest. Debit card transactions, online transfers, ATM transactions, ITM transactions, and in branch transactions are posted in the order they occur. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from general policies. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Overdraft Fees or Return Fees assessed.
- Although under payment system rules, Sunmark may be obligated to pay some unauthorized debit card transactions, Sunmark will not authorize debit card or ATM/ITM transactions unless your account's available balance (including Overdraft Coverage Options) is sufficient to cover the transactions and any fee(s).
- Giving us your consent to pay everyday debit card and ATM/ITM overdrafts on your consumer account (Extended Coverage) may result in you incurring Overdraft Fees for transactions that we would otherwise be required to pay without assessing an Overdraft Fee. However, this would allow us to authorize transactions up to the amount of your Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card. If you consent to Extended Coverage on your consumer account, it will remain on your account until it is otherwise withdrawn.
- Sunmark authorizes and pays transactions using the available balance in your account. Sunmark may place a hold on deposited funds in accordance with our Master Account Agreement and Disclosures, which will reduce the amount in your available balance. The available balance for paper checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Overdraft Privilege limit and any available Overdraft Protection. The available balance for ATM/ITM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, plus any available Overdraft Protection, but does NOT include the Overdraft Privilege Limit. For accounts with Extended Coverage, the Overdraft Privilege Limit is included in the available balance for authorizing ATM/ITM and everyday debit card transactions.
- Please be aware that the Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Sunmark's ATMs/ITMs.
- Sunmark will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within two business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, an Overdraft Fee may be assessed.
- Except as described herein, Sunmark will not pay items if the available balance in your account (including the Overdraft Privilege limit, if applicable) is not sufficient to cover the item(s) and the amount of any fee(s).
- Sunmark may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Overdraft Privilege limit (as described herein). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Overdraft Privilege limit, is positive and then you contact us.
- Sunmark may also suspend your debit card if your account is overdrawn more than 32 consecutive calendar days. Debit cards on your account will remain suspended until you make sufficient deposits so that your account balance is positive.
- Sunmark may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.
- If your debit card is suspended, you will be unable to use your debit card(s) for purchases or to access your account(s) associated with the debit card(s) at the ATM while your debit card is suspended. If you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s).
- An Overdraft Privilege limit of \$900 will be granted to eligible Consumer Checking accounts opened at least 30 days in good standing.
- An Overdraft Privilege limit of \$1,000 will be granted to eligible Business Checking accounts opened at least 60 days in good standing.
- Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Overdraft Privilege may be suspended if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within 32 days for a minimum of one business day. You must bring your account balance positive for at least one business day to have the full Overdraft Privilege limit reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Master Account Agreement and Disclosures and the Rate Addendum and Schedule of Fees and Charges. The total (negative) balance, including all fees and charges, is due and payable upon demand.

If you have any questions about Overdraft Protection or Overdraft Privilege, please call us at 866-SUNMARK or visit a branch.

For certificates with maturities of greater than 90 days, you will have a 10-day grace period after the maturity date to withdraw the funds in the account without being charged an early withdrawal penalty. A penalty may be imposed for early withdrawal.

FEE SCHEDULE DISCLOSURES

A - Any checking suffix with a balance below \$1,000 and no activity for 1 year will be charged \$5 per month. This fee does not apply to Youth/Student Plans, Silver Plans, Tax Advantage Plans, or if there has been monetary activity in other suffixes under that account number in the past 12 months.

C - Your Commercial Savings Plan will be charged \$4 per month if your balance is less than \$100 and you have no other suffixes under that account number. This fee doesn't apply if you're under age 21, if you've been a member for 6 months or less.

D - For checks, one fee will be assessed per account, per day, regardless of how many checks clear. For ACH debits and Point of Sale (POS) transactions, one fee will be assessed for each item cleared.

E - The six free transactions per month are cumulative for all suffixes under each Sunmark account number. ATM transactions include balance inquiries, withdrawals, transfers, and PIN based Point of Sale (POS) transactions. After the first six transactions, you will be charged \$1.25 per transaction.

F - In addition to the fees charged on some accounts by Sunmark to use non-Sunmark-owned ATMs, ATM owners may charge additional fees, also known as surcharges, to use their ATMs. These vary by ATM owner. Sunmark entered into a relationship with the CO-OP Network to allow Sunmark members to access participating ATMs without paying surcharges. Sunmark transaction fees may still apply.

H - Rounded up to the nearest penny.

I - "Items" are defined as each deposited check, ACH deposit, check paid, and ACH paid. Each cash deposit will count as one item regardless of the amount of cash being deposited.
